AMISP / Technology Partner	Tender / Procurement Information	Contract / Package Detail
Multiple — Adani Energy Solutions Ltd., NCC Ltd., Montecarlo Ltd., Genus Power Infrastructures Ltd.	MSEDCL awarded multiple AMISP packages in 2023. The 2022 Tender No. MMD/T-NSC-05/0922 was later cancelled; therefore it is historical context, not the final award document.	Multiple AMISP packages; current AMISP agencies identified from MSEDCL material and market sources.
Multiple — Shiridi Sai Electricals, Adani Energy Solutions Ltd. (AESL/Adani Transmission)	Agreement No. 05/2023-24 dated 10-Jul-2023; AMISP appointment for 13,20,419 smart meters in TOTEX mode on DBFOOT under RDSS. Adani project page reports 1.3 million meters, ₹18.0 billion contract value and 120 months.	Adani package: 13,20,419 meters; ₹1,800 Cr; 120 months; DBFOOT; award June & September 2023; Nellore, Chittoor, Kadapa, Anantapuram & Kurnool.
Multiple — Shiridi Sai Electricals, Adani Energy Solutions Ltd. (AESL)	RDSS smart-metering packages under APEPDCL; State Electricity Plan reports AMISP Phase I and Phase II plus agricultural consumers, with total awarded quantity 13,36,375.	APEPDCL total: 13,36,375 awarded; State Electricity Plan reports award cost ₹1,901 Cr and historical received/installed figures. AESL separately reports a 10.78-lakh-meter APEPDCL project.
Multiple — Secure Meters, Adani Energy Solutions, NCC, Hi-Print	NBPDCL smart-meter procurement includes multiple AMISP/vendor projects. NBPDCL's official smart-meter page identifies vendor-specific consumer portals; a BEREC filing records Secure Meters as L1 for the initial 26-lakh phase.	Current RDSS AMISP/SI status identifies Secure Meters, Adani, NCC and Hi-Print; NBPDCL official smart-meter page confirms vendor-specific smart-meter support for NCC and Hi-Print.

Multiple — Garhwal Smart Metering Pvt. Ltd. (Genus-backed), Adani Energy Solutions Ltd.	UPCL smart-metering is split between Garhwal and Kumaon packages under DBFOOT/TOTEX-style AMISP arrangements. UERC material dated Dec-2025 identifies GSMPL and Adani Energy Solutions as the two AMISP entities.	Garhwal: GSMPL, 9,94,379 meters, contract signed Mar-2024, 120 months; Genus provides EPC/O&M. Kumaon: Adani Energy Solutions, 6,55,305 meters; combined scope = 16,49,684.

Notes

https://www.mahadiscom.in/en/supplier/?media_dl=1148

Current FY2027 Sep dashboard: sanctioned 24,14,631, installed 11,67,266, communicating 11,22,677. Awarded 23,08,432 is from the Sep-2025 smart-consumer-metering status snapshot, so it is historical and not a same-snapshot figure. Adani package itself is 13,20,419 meters. Delivered is left blank because no current authoritative delivered figure was found.

Current dashboard values are primary for September FY2027. AMISP names are supported by the Sep-2025 RDSS status snapshot and AESL portfolio; the State Electricity Plan supports package quantities/costs.

Current dashboard values are primary. The AMISP list is supported by Bihar smart-meter project material: Secure Meters, Adani, NCC and Hi-Print are identified across NBPDCCL projects. Treat this as project/vendor participation context rather than assuming all four belong to one identical current dashboard package.

Dashboard reports Delivered 1,10,607 versus Installed 7,05,181 and Charged/Communicating 7,05,244; figures are retained exactly as displayed and flagged rather than reconciled. ICRA reports Dec-2025 Garhwal progress separately.
